**Additional Comments**

Please add any other information that you feel would be helpful and relevant.

I am a lifelong Lutheran having been raised in the LCA which is now the ELCA. As one of the few African Americans in most of my congregations I have a unique perspective that very few in FL have experienced in the ELCA.

Due to professional employment opportunities, my husband and I have been members of five different Synods so I've learned that the saying "this is how Lutherans do it" is not a valid response because ALL the Synods do things differently. We also raised our children in the ELCA so I've taught Sunday School, been Worship Assistant, Assistant Minister, Lector, Communion Assistant, and I've been service leader when our Pastors were at Synod Assemblies.

I've also represented my former congregation (Advent, Olathe KS) at Synod Assembly in the Central States Synod.

I currently serve on the FL Bahamas Synod of WELCA.

Please indicate if you have email and check it at least weekly. Please indicate what other computer skills (ex. Use Word or Excel) or online activities (ex. Facebook, Pinterest) you use typically.

I use email on a daily basis. I am a small business owner so I am proficient at Excel, Word, Google Docs, Google Sheets, Canva, Quickbooks. I have a Facebook account but it is only visible to Facebook friends.
